Dear Community Partner,

The San Clemente Junior Woman's Club is a non-profit 501c(3) organization with a 74 year history. Our all-volunteer organization has been serving San Clemente through volunteerism and financial support for a wide range of community programs including helping local youth, families, elderly and military in need. We also support the arts and education through financial support and scholarships to our schools, library and outstanding teens. Just this past year, we volunteered over 2,100 hours to help improve our community as well as partner with other local philanthropies.

We need sponsors and donors like you to support our single largest fundraising event of the year. The funds we raise from your sponsorship or in-kind donation will make a positive impact on our community all while raising money for those who need it most.

We hope that you will support us for a fun afternoon of family entertainment including a live DJ, carnival games, face painting, live raffle and more on May 22, 2022 at Forster Ranch Community Park. Please email our fundraising chairs Denise Jusko and Barbara Borkowski at fundraising@scjwc.org for more information.

Warmest regards,

Jenny Hostert
